## WhatNot Toys Acquires Exclusive Rights To Zomlings In North America.

WhatNot Toys is proud to announce that it has acquired exclusive North American rights to the Zomlings line of collectible toys. "Zomlings has proven to be a huge hit with kids in Europe and we are delighted to be able to offer these hot collectible toys in the U.S." said Bob Grey, co-founder of WhatNotToys.

Zomlings will be supported by a range of marketing and social media outreach channels.

Orders are being taken now for Zomlings and WhatNot will also be showing the line at the New York Toy Fair this February 13-16, 2016.
